The **NORTHEAST HAWK WATCH (NEHW)** promotes the systematic study of hawk migration in 8 north-east states. This involves collecting, organizing, publishing, and distributing hawk count data. Members receive a 36-page annual report on migration in our region, including long-term data and migration trends for many hawk watches not available anywhere else. We are the first self-sustaining chapter of the Hawk Migration Association of North America (HMANA).

JOIN US AT THE BARGAIN MEMBERSHIP COST OF \$10 PER YEAR!
